TRUTH

3801 South Panther Creek Dr.

The Woodlands, TX 77381

Dear Pastor Quill:

The Anti-Defamation League is a 95-year-old non-profit human relations and civil rights organization dedicated to combating anti-Semitism, prejudice and discrimination, safeguarding religious liberties and promoting harmonious intergroup relations. Founded in 1913 "to stop the defamation of the Jewish people" and "to secure justice and fair treatment to all," ADL is a leader in the development of materials, programs and services that build bridges of communication and respect among diverse racial, religious and ethnic groups worldwide.

We are pleased to write this letter of support for TRUTH, whose goals to promote positive interfaith dialogue and action through travel are important and beneficial to our community. We have worked with TRUTH leaders, Pastors Steve Quill and Liz Stein, for more than 10 years. Both of them have been active with the ADL's Coalition for Mutual Respect and have demonstrated a deep commitment and passion for interfaith dialogue and action.

Thank you.

Sincerely,

Martin B. Cominsky

Director, ADL Southwest Region
